

Health and Safety Policy

We are committed to maintaining ISO45001 certification.

NOTE Windsor considers that the Health and Safety of interested parties, employees, visitors, contractors and members of the public is of paramount importance.

Senior Management of NOTE Windsor are responsible for ensuring compliance with current, applicable legislation and company procedures and for organising, planning and providing sufficient resources for these requirements.

Through management at all levels NOTE Windsor has a responsibility, so far as is reasonably practicable, to ensure the Health and Safety of all its employees while at work, and members of the public, visitors and contractors whilst on its premises and in accepting this responsibility will:-

- Provide adequate control of the health and safety risks arising from work activities
- Consult with employees on matters affecting their health and safety
- Provide and maintain safe plant, equipment, and vehicles
- Ensure safe handling and use of articles and substances
- Provide adequate information, instruction, and supervision for employees
- Ensure all employees are competent to do their tasks, and to give them adequate training
- Prevent accidents and cases of work-related ill health
- Maintain safe and healthy working conditions
- Review and revise this policy as necessary at regular intervals
- Following the UK government guidelines, work to the best practices for a safe working environment for notifiable contagious diseases
